# DRINK PET FRIENDLY TASTING

No trip to Mendocino County is complete without some wine tasting. You do not have to leave your pets behind. There are two major wine producing areas: Anderson Valley, known for its world famous pinot noirs, and the Highway 101 Corridor, which produces numerous varietals. All wineries listed welcome pets, some in tasting rooms and some at outdoor decks or patios. A few even have resident canine greeters.

PLEASE NOTE: TASTING ROOMS RESERVE THE RIGHT TO REFUSE ANY UNRULY OR DISRUPTIVE PETS.

# PLAY THE GREAT OUTDOORS

No dog objects to playing on the beach or hiking through the redwoods with its owners. But Mendocino County also offers pets a train ride on the Skunk Train, a romp through the flowers at the Botanical Gardens, a canoe or kayak ride, or a whale watching cruise. There are even several off-leash dog parks and beaches for those dogs who need a little extra exercise.
